Business
Directory

Introduction

Rocky Mountain Calvary Chapel Business Directory consists of those who call RMCC their church home and are owners of a service that may be beneficial to those in the body. The purpose of the directory is to make you aware of the many services and talents that exist within RMCC. Please understand that these are businesses.

It is our hope that the directory will be a blessing not only for those using it for goods and services but also for those that will be providing their expertise.

If you would like to be included in the RMCC Business Directory and you have been in attendance for the last six months, please feel free to fill out an application form which is at the end of this document and drop it off at the Reception Desk or in the Offering Box located at either entrance. We will then review it and be in touch with you regarding your application process.

And whatever you do, do it heartily,
as to the Lord
and not to men,

Colossians 3:23
