Jackie Fierman from Ariel Ministries will be sharing.

Studying and knowing the Jewish context of Scripture helps us understand what those hearing and reading the Bible back when it was written did. Nicodemus knew there were six ways to be born again. Many priests came to faith in the book of Acts. How many signs might they have seen that others didn't? What Hebrew words add so much meaning when we think about the covering of Noah's ark or the cord that Rahab hung out her window? Come hear what is behind some of the text and circumstances in the Scriptures that will deepen your appreciation of the Lord and His perfect Word.

TONIGHT at 6:30 pm in the evening service,
Tomorrow Night - January 30th at 7:00 pm (Ladies Only)
