

Hi Pastor Quinn!

I hope you are well and that you have had a wonderful Christmas with lots of Jesus in it. I do want to thank you a thousand times for the big puzzle you guys send me and especially for the cards, the took and the sweeter. I was really stoked, it was cool that I opened it with my parents and they got to see it as well and where blown away how much you guys care for us. It was such a good witness I think, to them about the selfless love that the Lord offers us. Great thing I thing and all the cards I got from people that I don't even know that well. I am amazed thank you so much! I really appreciated that.

Thanks again and may the Lord bless you for that.

God bless and a big hug

Joel
